Toycathon-21 (06/2021 - Present)

Smart India Hackathon (03/2022 - Present)

## Educational Background

### Bengal Institute of Technology,

### Bachelors of Technology in Information Technology

JULY 2019 - AUGUST 2023

CGPA - 8.87 (88.70%)

### Government Sr. Sec. School, Gurugram

Senior Sec. - APRIL 2016 - MARCH 2018

PERCENTAGE-69%

### Vinay Public School, Gurugram

Secondary - APRIL 2010 - MARCH 2016

PERCENTAGE-70%

## Projects

### Virtual Assistant

I made this virtual assistant in python with the help of some of its built-in module. It can perform some simple human tasks with the simple voice command

### Password Generator

I made a simple random password generator using Python. It takes the length of password as input and generate the random password.
